## **Environmental Stewardship Statement**

iClick affirms a commitment to promoting Environmental Stewardship in all aspects of the promotional product procurement process. From a client-customer's initial interaction through delivered product, iClick strives to ensure we and our suppliers reduce use of natural resources, reuse where feasible and recycle whenever possible.

iClick also strives to ensure products either manufactured or imported on behalf of our customers are produced in a manner that protects the health of the people and the environment in which they are manufactured and complies with requirements for the markets in which they are being distributed.
