

POPSOCKETS

A PopSockets Grip sticks flat to the back of your phone, tablet or case with its rinsable, repositionable gel. Once extended, the PopSockets Grip becomes a media stand for your device, a photo or texting grip, or lower it for a video chat. The possibilities are endless with PopSockets, and with full color imprinting, so are the imprint possibilities. The back of anyone's phone is prime real estate for any promotion, and the best part is that PopSockets can be used on almost any brand of phone or phone case.

**For best results, use in conjunction with a phone case.*
