

UNION

The Union USB Flash Drive works like a charm! The multi-function model makes a stylish accessory because it's a bracelet and USB in one! The 8.5" x 0.75" x 0.35" drive includes Security Sealed, Recyclable Packaging. This product works well as a giveaway at a number of advertising events. Whether it's showing off your debossed or imprinted logo at a trade show, sports game or charity race, it's sure to stand out in one of the various bright colors available.
