WALDORF - Stylus & USB

If your company is a one stop shop, then the Waldorf USB Flash Drive is the promotional product for you! This fully functional, mobile tool features a ballpoint pen, stylus and hidden USB drive, qualifying the Waldorf as a digital version of the penman's pocketknife. Much easier than starting a fire and far less rudimentary, the Waldorf's incredible mobility gives you the benefit of multiple tools. It measures 5.45" x 0.55" x 0.55" and is produced overseas. It also includes a lifetime warranty. Remind your customers where they can get everything they need!
